1) The grant will be free of cost
2) The Association should put-up a building at an estimated cost of not less than Rs 25,000/
3) the plan and the design of the building should be approved by the Municipality and by the Government
4) The land and the building should be used solely for the school purposes and should not be diverted for other purposes
5) The Municipality will have the right to resume the land with the structures, if any, for the breach of any of the conditions of the grant
6) The building should be constructed within one year of the grant of the land to the Association
7) An agreement embodying these conditions should be got executed and registered

18) The records disclose that the lands in question were granted to the Association in pursuance of a recommendation made by the Director of public instruction in the year 1933

"2" When a notice was issued to the Association in the matter, -(i.e to adhere to condition No 6, in regard to the construction of the building within one year from the date of grant) they began to apply for additional grant of land on the ground that the land already granted to them being a triangular site was not well suited, etc-

20) Finally, in your No. L 10302-5/ML 92-42-41 dated 19-4-43, an additional extent of 3165 sq yards of land was granted to the Association on the following conditions

3) If the building is not completed within a year or the School is not started within 18 months the land with the structures, if any thereon, shall revert to the Municipality

21) The Agreement in this behalf was executed by the President of the Association on 10-11-44 and registered on 13-11-44

purpose, viz for the construction of a temporary theatre) under clause 2 of the G.O dated 19-4-43 the land is liable to be resumed by the Municipality, with structures thereon

23 It is not clear why the City Municipal Council did not choose to enforce the penal clause of the Agreement, especially when the conditions of the grant of the site have been violated orders of Government should also have been obtained before granting licence for the construction of a theatre thereon, irrespective of the amount donated by the Company towards the Building Fund

24) These aspects of the question will be pointed out to the Municipal Council and their observations will be called for

25) From the above facts, it is seen that the Association has deviated from the conditions of the grant Permission of the Govt will be obtained as to why the conditions

SIR

With reference to your letter No L 6629/11 dated 11-1-1946 and subsequent reminders thereto enquiring whether the City Municipal Council have approved of the City Improvement Committee resolution dated - 30-11-1945 in the matter of extending the license to M/s Hirannayya Mitra Mandali for a further period of three months from 11-11-1945 I have the honour to state that the subject came up before the Municipal Council on 18-2-1946 when it was resolved by them that they were not prepared to interfere in the matter, as the licensing authority was the Municipal Commissioner and that the subject, from its point of view be dropped

Thereupon orders were issued to the Municipal Engineer to get the temporary theatre demolished under the terms of the agreement executed by the Dramatic Company and when the latter proceeded in the matter the party filed a suit in the Principal Subordinate Judge's Court. Bangalore and obtained an injunction order restraining the Municipality from further action I have however this day addressed both the District Magistrate and the City Magistrate, Bangalore City to

The whole thing is being stage managed by the Association President & its members This is a clear case in which the prestige of Govt suffers by allowing the Co to continue, though personally, Dr Hiranmayya deserves encouragement as an artist the Dt Magistrate should be moved to cancel his license forthwith.

Subject - Construction of a school building for the Aryavidyasala, Bangalore

47 In October 1938, Government sanctioned the grant of a municipal site measuring 2580 sq yards in the Gandhinagar extension, Bangalore City, free of cost, to the Aryavidya Sala for the construction of a school building within a period of one year and subject to other usual conditions governing such free grants

48 Subsequently the Aryavidya Sala Parents Association urged for the grant of additional land on the ground that the land already granted to them was a triangular piece of land not well suited for the construction of a school building In G O No L 10302-5/L1 92-42-71 dated 19th April 1943, an additional bit of land measuring 3165 sq yards was granted to the Association, subject to the following conditions -

1) the school building should be constructed within one year according to a plan approved by the Government Architect and the Municipal Engineer

2) If the school for the construction of which this land is granted ceases to function as such or ceases to be used for the purpose for which it is granted, the land with the structures thereon shall revert to the Municipality without any claim for compensation

3) If the building is not completed within one year or the school is not started within 18 months, the land with the structures, if any thereon, shall revert to the Municipality

50) Under the terms of the above agreement, the Association should have completed the school building within one year from 13-11-44 This has not been done and the Association has deviated from the conditions of the grant

51) On 31-10-45 it was brought to the notice of Government that the Municipality had granted a license for the construction of a theatre on the site granted to the Aryavidya Sala for educational purposes A report was thereupon called for from the municipal commissioner, Bangalore City, who has stated that a license for the construction of a temporary theatre by the proprietor of Messrs Hirannaiah Mitra Mandali, for a period of six months was granted The period of this license expired on 11-11-45.

52) The attention of the President of the above Association was also drawn to clause 2 of the G O dated 19-4-43, according to which the site is liable to be resumed by the Municipality in view of the breach of the terms of the Agreement

53) In reply, the President has stated that the Dramatic Company has made an initial donation of Rs 2,000/- and have promised to give six benefit performances in aid of the Building Fund, for the Institution The above Company has requested Govt to extend the term of the license for a further period of six months from 11-11-45 Meanwhile, the Municipal Commissioner who is the Licensing Authority was not in favour of extending the term of the license and he ordered the demolition of the temporary theatre under the terms of the agreement executed by the Dramatic Company The company has filed a suit against the Municipality and has obtained an injunction order restraining the Municipality from further action

To,

The Minister of Education in Mysore

Government of Mysore, Bangalore

SIR,

I beg leave to invite your kind attention to the following few lines pertaining to an urgent matter of public interest and educational problems in the city

2 The Municipal Council of Bangalore City has been good enough to give a site free of cost to Natakaratna G H Veeranna in recognition of his services in the realm of dramatic art and he is erecting a theatre in the above site which is situated in Gandhi Nagar The theatre is nearing completion and will be ready for staging dramatic performances in about a months time

3 In the meanwhile the managing committee of Arya Vidya Sala, an educational institution in the City, which has been the recipient of a free site adjoining to the above, has launched an unhealthy and uncalled for competition and have commenced erection of their own theatre with the help of a professional dramatic Company, the reputaion of which is considered to be very much lower even on professional standards It is necessary that the following points are considered with regard to this by the Educational Department and the Minister concerned

4 The managing Committee of the Arya Vidya Sala was not justified in leasing out a site given for educational purposes to a dramatic company and thus frustrate the very pupose for which the site was given

5 The liscencing authorities of the Bangalore City Municipality has erred in granting a license to a theatre in the site rent for an educational institution, when they had already liscensed a theatre in the adjoining site

6 It is reported that the managing committee has leased out the site to the dramatic company for a period of two years and said company is already negotiating with the Municipality to have the temporary lisence renewed for a further period ou six months

7 Protests regarding the erection of a theatre in Arya Vidya Sala site has already appeared in local papers ie Viswakarnataka, Deshabandu and Prathrubhumi, but these have gone unheeded till now Some people have ever suggested to the Municipality to take back the site as it is being used for purpose for which it was not rent for

In these circumstances it is necessary that the Managing Committee of the Arya Vidya Sala are brought back to their senses, the erection stoned and the lisence given by the Municipality be recinded at once in the interests of education and the larger public

I beg to remain Sir,

Yours most obediently

Bangalore city

Sir

I am directed to state that it is brought to the notice of Government that the land granted to the above Association in C O No L 10302-5/41 93-42-71 dated 19th April 1943, in the Gandhinagar Extension for the construction of a school, is being utilised for the construction of a theatre, which is not one of the purposes for which the land in question was granted to the Association. It is therefore desirable that the land for an unauthorised purpose should be discouraged.

I am also to point out that under clause 2 of the said C O, the land is liable to be resumed together with the structures if any thereon by the Government, if the school for the construction of which the land was granted free of cost, ceases to function or if it is not used for the purpose for which it was originally granted.

Yours faithfully,

Sd/- S B Muralidhya

Petitioner -

****

The petitioner begs to state as follows -

1. The petitioner had applied to the City Magistrate for license to hold dramatic performances at the Sree Theatre, Gandhi Nagar for a period of six months from 16th June 1945 and the same had been extended to a further period of six months in L No 151 of 1945-46 The extension was to run till 16th June 1946

2 But in the meanwhile by an order dated 9th May 1946, the City Magistrate, Bangalore, has intimated the petitioner that the said license granted to the petitioner has been cancelled

3 The petitioner humbly submits that the said City Magistrate Bangalore has assigned no reasons for the said cancellation

4 But, however, the petitioner relying on the license granted to him had undertaken to give - nearly six benefit performances to various educational and cultural Institutions, including the Mysore Journalists' Association Some of the

Institutions

Institutions have also incurred expenditure on account of the promised performances

5 Besides, the sudden cancellation of the license has put the petitioner into great hardship, as he will be unable to shift his large establishment to any other muffusil place at such short notice At least a period of one month to one and half month would be required to erect a theatre elsewhere and shift Meanwhile he will have to keep the expenses of the establishment running at a cost of nearly Rs 6,000/- a month.

6 The petitioner therefore submits that the license may kindly be granted to him for atleast a period of two months, by which time he will be in a position to make other necessary arrangement The license may kindly be granted for two months from the date of issue

Sir,

We beg to submit that when the Bangalore City Municipality on representations made by the managing committee of the Arya Vidya Shala permitted them to lease their site(granted to them for the purposes of building their School in Gandhinagar) to M/s,K Hiranmaiya's Mitra Mandali to putup a Temporary Theatre for staging dramas, we protested and represented to the Municipality that the site being adjacent to us, would lead not only to unhealthy competition but also inconveniances the public and give room to a breach of public peace Thereupon the Municipality promised to withdraw the licence granted to them as soon as the construction of our Theatre is finished and we begin puttingup our performances We also learn that the Municipality took a muchhalika from M/s,K Hiranmaiya's Mitra Mandali that they would demolish the Temporary Theatre when the Municipality demanded them to do so

On the completion of the construction of ~~the~~ our Theatre, we informed about it to the Municipality and also made known to them

tox them of our intention to begin our performances in the New Theatre, and also requested them to abide by their promise referred to Supra We learn that in resposnse to our request, the municipality issued notices to M/s,K Hirannaiya's Mitra Mandali to demolish the Temporary Theatre putup by them and thus carryout the undertaking they had given to the unicipality, that the would demolish the Temporary Theatre whenever the municipality demanded them to do so But, M/s,K Hirannaiya's Mitram ndali appears to have changed their willingness to abide by the urdertaking the, had given but went to the extent of filing a suit against the municipality, and also have obtained an order of temporary injunction , restraing the municipality fro enforcing the terms of the muchhalika

We further learn that M/s,K Hirannaiya's Mitra Mandali are attempting to obtain a fresh licence to enable them to continue their performances in the Temporary Theatre This attempt on their part is obviously to injure our interest, cause loss to us, and damage our reputation The granting of any fresh licence to them or to revive their old licence is likely to cause considerable hardship to us Besides it may also result in a grave breach of public peace

Therefore, we, in our own interest and in the interest of the public,request that no fresh licence be granted to M/s,K Hirannaiah's Mitra Mandali and that the old licence be not revived

Lis Petn No of 1945 - 1946

Petitioner --

P Hirarniah, Proprietor
Mitra Mandali Shree Theatre
Gandhinagar Bangalore City
--

The petitioner abovenamed begs to state as follows --

1) That he has been staging dramatic performances for the last six or seven months in a Theatre which he has errected on the Arya Vidyasala Site in Gandhinagar Bangalore City

2) That he had been granted a license extending to the 16th June 1946 by the City Magistrate Bangalore

3) That all in a sudden the Municipal Engineer gave notice directing petitioner to demolish the theatre within 24 hours The petitioner fearing that since it was time for the courts to close for summer vacation he would be left without relief if anything un ward happened took out an injunction preventing the Municipal authorities from demolishing the theatre as they threatened to do

4) That the Government and the local authorities who very kindly helped the petitioner seem to have become prejudiced by reason of the injunction The City Magistrate notified the petitioner by an order dated the 9th May 1946 that the license granted till the 16th

16th June 1946 was cancelled

5) This has disabled the petitioner from giving dramatic performances on the faith of the license running till the 16th June petitioner had undertaken to give benefit performances to various charities including the Mysore State Famine Relief Committee and he has obtained advances from certain others All these undertakings will be frustrated if the cancellation stands

6) The reason for cancellation is not clear It is stated that the site on which petitioner had put up the theatre was granted by Government to Arya Vidya Sala for purposes of constructing a building and that to give it for erection of a theatre was nuisance of the grant The Arya Vidyasala authorities gave it bonafide in return for payments and benefit performances in aid of the Building Fund There is thus no nuisance

7) How can there be any reason to cancel the petitioner's license merely because another dramatic company is staging performances nearby In a City like Bangalore there is room for more than one theatre even though they be side by side

8) Petitioner will be satisfied if his original license is restored for a period of one month from the date of restoration He is anxious to help the famine Relief Fund and he can only do so if the license is restored at once

The petitioner therefore humbly prays that he may be granted licence to stage performances in his theatre in Candhinagar for a period of one month from

from from the date of the order for which act of kindness the petitioner will ever remain indebted to the Government of His Highness the Maharaja of Mysore
